V-ST PRO[®]

The V-ST PRO[®] is a high fidelity firearms and tactical skills training simulator. Certified ballistics translates into real world survival skills.

“ The system that we’re using to help our security force members, as well as other base agencies, gain more situational awareness in combat situations. ”

SrA Jesse Phillips, Combat Arms Instructor, Vandenberg Air Force Base

“ By brining our training in-house, we can control the learning environment which allows for an unmatched test of human performance, mental acuity and a new-found perspective on the individual that will push the limits of peak performance with maximum efficiency of our training time. ”

Travis Haley, CEO of Haley Strategic
